Slava Isusu Khrystu! Glory to Jesus Christ and the Creator!

Beloved Parishioner:

By the grace of God, we have successfully re-opened for Sunday Divine Liturgy services on August 23, 2020.

If you would like to attend the Sunday Liturgy please follow these guidelines:

To attend Liturgy on Sunday, please register with **Myroslava** in the church office by 2pm Friday tel: **416-603-3224**. (Messages are picked up regularly) or by email: [myroslavad@stvolodymyr.ca](mailto:myroslavad@stvolodymyr.ca)  
The admission form is found on our website: [stvolodymyr.ca](http://stvolodymyr.ca).

When you arrive at church, you will be greeted by a church volunteer with the admission list outside the main doors. Since we can only accommodate 40 worshipers, **coming to the Cathedral does not guarantee admission unless you have called to register and have received a confirmation from our office**. If you have not registered with the church office prior to arriving for the church service, then you are required to provide your name, phone number and email address at the registration and can only be admitted if we have not reached our attendance capacity.

Please enter using the main door to the Cathedral. Plan to come at least one-half hour prior to the service.

A face mask must be worn at all times when attending church service as required by the City of Toronto.

The church is required by law to keep a record of all the people who attend church service to ensure contact tracing. At the registration desk, please complete the health form to provide some basic details of your health and exposure to COVID 19. A touchless thermometer will be used to record your temperature as an extra layer of precaution to keep our parishioners safe.

A church volunteer will direct you to your designated seat. (When you call to register please let the office know if you have a favorite seat). Immediate families or people arriving in the same car or living in the same household may sit together.

Candle bundles will be available for purchase for \$5.00 at the back of the Cathedral. All candles should be lit prior to service. Unfortunately we will not be able to provide change.

---

We highly encourage that offerings be done electronically via **CanadaHelps** <https://www.canadahelps.org/en/dn/20063> or by a check. A collection box will be placed on a table at the back of the Cathedral for Sunday offerings.

Holy confession will take place during Liturgy in the small room at the back of the Cathedral. We ask that you make arrangements directly with the clergy regarding your desire for confession.

We continue to miss the choir. We will shortly be able to introduce new protective measures so we will again be able to once again enjoy their voices. In the meantime we will continue having one chanter at Divine Liturgy. Parishioners are asked to refrain from singing.

Thank you for your ongoing patience, co-operation, and prayers! We have made these changes for the safety of our clergy, our parishioners and our singers. Once again, many thanks to the Cathedral re-opening task force, and parish volunteers for their many hours of preparation. May the Lord accompany us in all our steps. Many years, health, faith, and love to all.

Love in Christ,  
The Clergy and Parish Council of St Volodymyr Cathedral of Toronto
