FOOD COLLECTION FOR THOSE IN NEED

Please note that we are always collecting non-perishable food items for those in need in Toronto. Please remember that although we are fortunate to have the basic necessities of life such as food for ourselves, our children and our grandchildren, there are many who don't..... for various reasons. Please be generous in your donations.

Sunday School began last Sunday

100th Anniversary Celebration of the UOCC in Canada - Saskatoon August 9 - 12, 2018

Слава Ісусу Христу!

Dear Reverend Fathers and UOCC faithful,

As Chair of the Music and Entertainment portion of the 100th Anniversary SOBOR of the UOCC to be held in Saskatoon, August 9 - 12, 2018, I am contacting you with a request for help in locating the contact information of any choirs, choir members or musical entertainers who

would be interested in participating in the liturgies (Friday or Sunday) or the gala concert program (Saturday night). I would like to obtain the name, address, phone number, and email contact for any interested people who would like to be involved. If you would be so kind as to forward the information as soon as possible so that plans can be made for a proper celebration of this great event, it would be most appreciated.

Reverend Fathers, if you could send me the contact information for the choir director/musical leader in your parish, and also announce the call for interested people in your parishes and parish bulletins, it would be most appreciated.

Those of you that are choir directors, please consider this your invitation to participate, and to determine in what capacity you might do so - as part of the gala concert or the final massed-choir liturgy, or both. If your choir as a whole, cannot participate in the concert, please encourage any of your members that wish to do so, obtain a copy of the massed-choir music and join us as individuals.

It would be most appreciated if any of you would pass this information along to any who might be interested in participating in some capacity.

The program is nearing its final form and will be shared with all of the UOCC shortly, but there will be an opportunity to sing as a mass choir for a liturgy (music to be chosen and distributed shortly), and also to perform as individual choirs and entertainers at the Gala Concert on Saturday.

This will be wonderful opportunity for all of us to share some of our great sacred music with each other and all of the attendees of the anniversary. The length of performance for each individual choir/entertainer will depend on the number of responses of those interested in participating and the type of presentation that each will perform.

Expenses for participating in the celebration will be the personal responsibility of the choir or performer. If the budget allows, a small honorarium may be possible. More details will follow to those who respond with their interest in being part of the celebration as soon as they are available.

I very much look forward to receiving many replies from you with the names of people to contact, and I hope that you will be part of this grand celebration of our church in Saskatoon in 2018.

Sincerely and with great anticipation,

Larry, for the celebration committee.
